OPINION AND ORDER

This matter comes before the Office of Administrative Hearings (OAH) as a Petition for Administrative Variance filed by the legal owners of the property, William L. & Eleanor C. Schneider (“Petitioners”). The Petitioners are requesting Variance relief from §§ 400.1 and 400.3 of the Baltimore County Zoning Regulations (B.C.Z.R.), to permit an accessory garage with a carport open on one side in the front and side yard with a height of 18 ft. in lieu of the permitted rear yard and 15 ft. The subject property and requested relief is more fully depicted on the site plan that was marked and accepted into evidence as Petitioners’ Exhibit 1.

The Zoning Advisory Committee (ZAC) comments were received and are made part of the record of this case. A ZAC comment was submitted by the Department of Environmental Protection and Sustainability (DEPS), dated March 30, 2017, indicating their review (Forest Conservation and Ground Water Management) and conditions of Petitioners’ zoning request.

The Petitioners having filed a Petition for Administrative Variance and the subject property having been posted on March 25, 2017, and there being no request for a public hearing, a decision shall be rendered based upon the documentation presented.

The Petitioners have filed the supporting affidavits as required by Section 32-3-303 of the Baltimore County Code (B.C.C.). Based upon the information available, there is no evidence in

the file to indicate that the requested variance would adversely affect the health, safety or general welfare of the public and should therefore be granted. In the opinion of the Administrative Law Judge, the information, photographs, and affidavits submitted provide sufficient facts that comply with the requirements of Section 307.1 of the B.C.Z.R. Furthermore, strict compliance with the B.C.Z.R. would result in practical difficulty and/or unreasonable hardship upon the Petitioners.

Although the Department of Planning did not make any recommendations related to the accessory garage with carport's height and usage, I will impose conditions that it shall not be converted into a dwelling unit or apartment, not contain any sleeping quarters, living area, kitchen or bathroom facilities, nor used for commercial purposes.

Pursuant to the posting of the property and the provisions of both the Baltimore County Code and the Baltimore County Zoning Regulations, and for the reasons given above, the requested variance should be granted.

THEREFORE, IT IS ORDERED, this **14th** day of **April, 2017**, by the Administrative Law Judge for Baltimore County, that the Petition for Variance relief from §§ 400.1 and 400.3 of the Baltimore County Zoning Regulations (B.C.Z.R.), to permit an accessory garage with a carport open on one side in the front and side yard with a height of 18 ft. in lieu of the permitted rear yard and 15 ft., be and is hereby GRANTED.

The relief granted herein shall be subject to the following:

- Petitioners may apply for their appropriate permits and be granted same upon receipt of this Order; however, Petitioners are hereby made aware that proceeding at this time is at their own risk until such time as the 30-day appellate process from this Order has expired. If, for whatever reason, this Order is reversed, Petitioners would be required to return, and be responsible for returning, said property to its original condition.
- Building materials for the garage/carport addition shall be compatible with those of the existing principal dwelling.

- Petitioners or subsequent owners shall not convert the accessory garage/carport into a dwelling unit or apartment. The accessory garage/carport shall not contain any sleeping quarters, living area, and kitchen or bathroom facilities.
- The accessory garage/carport shall not be used for commercial purposes.
- The carport shall not be enclosed at any time.
- Petitioners must comply with the ZAC comment submitted by DEPS, dated March 30, 2017; a copy of which is attached hereto and made a part hereof.

Any appeal of this decision must be made within thirty (30) days of the date of this Order.

Signed
JOHN E. BEVERUNGEN
