Re: JSI Auto, 11854 Belair Rd, 21087

Dear Sirs,

I request that you take action for the removal of inoperable, unlicensed vehicles from this site, or their placement behind a screening fence on a paved surface as required by BCZR 405A. Pictured below are several which are parked in front of the building facing Belair Rd and there are many more along the side, visible from Sunshine Ave. In addition, I believe that the parking area behind this facility is in violation of BCZR 408 which prohibits junkyards.

Thank you for your help in this matter to clean up this establishment, which has become a serious eye-sore in our community and a likely source of ground-water pollution.
